Peace,

I think these 10 days are going to be great. We passed already 6 days. Time is running. So, I really like this exchange cause we are always doing PARTY in the blue, white czech bus, with a funny czech bus driver. I really like the bus trips.

Yesterday we went to Konstanz. I didn't like it there, cause it's a big town like Freiburg. But the Rheinfälle were really, really great. We did drive with a boat to them and went up some stones. We did do a lot of funny pictures 😊😊

We're sitting in the bus to Heidelberg now. I haven't been to Heidelberg yet, so I hope it's going to be interesting. And I hope that we're having a lot of fun in the town 😊. Next school year I would like to go to Czech but I can't cause I'm changing school. I'm sorry, I would come with you, sorry, Maybe I could come to you in holidays. So I really have to enjoy the rest of the time. Hope that we are having a lot of fun the last 4 ~~days~~ days 🙌🙌🙌

I REALLY LIKE IT 🙌🙌

Big damn / see you

DANIEL Z.
