Pocuvadlianske Jazero

Pocuvadlianske Jazero is a recreational resort in South Central Slovakia next to a beautiful lake. The area, surrounded by the Stiavnicke Mountains and its forests, is one of the most beloved places in the country.

The nearby historical town of Banská Štiavnica is around 750 years old. With its steep and winding streets with cobblestones, small shops and cozy cafés it is definitely worth a visit.
